eg. For Friday 10th July - bookings close at 5pm Thursday.
Please indicate whether a stationary North required / Restricted section.
It is important that members be considerate in using this method - **NO** midnight texts!

We should all be grateful to Birgitt - this is a huge commitment. **Thank you** Birgitt.

Health Questionnaire:

If you can, please print out at home and have completed prior to arrival.
We shall have copies at the Front Entrance for future visits.
As one of the symptoms of Coronavirus is coughing - If you have any form of cough it
would be in your best interest to have a Doctor's Certificate stating the cough is not
infectious (otherwise you may be asked to leave).

System Cards:

Must be in an enclosed plastic sleeve.

Protocols:

All protocol forms are uploaded onto our Website - under Documents.
It is most important that you familiarise yourselves with the procedure required.
Prior to commencement of play during the first week the Director & committee member
on duty will outline the end of play procedure.

Whilst the protocols and procedures may seem very overwhelming, we have had a small trial session
- it was more fluent than we had envisaged - which was pleasing. At the end of each round East /
West have a bit more gear to shift!
